Membership Moment: Peg Bobzin

Doing well with membership. Some clubs are behind, so keep bringing members in because we have until the end of September to recruit members for this year. All clubs are very close to being distinguished except for in the membership category.

Award Presentation: Peg Bobzin

Roberta Colaccin was presented with the NYS District Distinguished Kiwanian Award for 2012. Congratulations, Roberta!

Committee Reports:

Quarter Mile of Quarters: John Hanratty

Video from Golisano Children's Hospital shown. Golisano has offered Kiwanis the opportunity for a naming right. John would like support for partnering with the Genesee Division for naming rights for the Kiwanis Waiting Room for the NICU. This would cost \$100,000 over 5 years with half coming from each division. The 12,500 given this year would decrease the amount that we owe. John would like each club to commit to continuing to raise money for the Golisano Children's Hospital. The vote would need to go to each Board of each club for the commitment. The members present voted to support the Division fundraiser effort for Golisano Children's Hospital. The consensus was to support the money for the naming rights for the waiting room.
