LG Roger was able to make window flower boxes for the cabins with boards that were going to be discarded. President Kat from Canandaigua invited Roger to attend an event for the Finger Lakes Child Advocacy group and he took Key Club LG Tatiana to the Miracle Field opening and he attended the Aktion Club meeting that the Webster club is now

sponsoring. He pointed out that the new division banner was on display and available for clubs to use in summer parades and other events. The Webster and Geneva Clubs will use it for events in July.

LGE Comments:

LGE John Treahy attended the training in Utica for the incoming Lt. Governors which was a good training from 8:30am until 9:30pm. It was a wonderful opportunity to bond with his fellow Lt. Governors. He wants to stay ahead of things and has his division officers and chairs in place and has scheduled the President & Secretary training for July 16th at the Woods Library in Canandaigua. He is scheduling his contact visits to each club and coordinating the date for the Governor's Visit to the Finger Lakes Division for the weekend of April 3-4, 2020.

Program:

Key Club Lt. Governor Tatiana Solodova was the guest speaker. She is a sophomore at Brighton High School and is new to Kiwanis this past year.

PLG Natalie introduced her to her duties and she was installed in March and met and bonded with her fellow Lt. Governors. Her view of Key Club has been expanded and she is amazed at how large a group it is and how unified. Her goals are to spread the word about Key Club and to increase her divisions presence at the Leadership Training Conference and the communication between clubs.
